AISHE Code: C-55461

ENVIRONMENT POLICY DOCUMENT

Both the teaching and Non-teaching staff of Loknete Marutrao Ghule Patil College, committed for carrying out its activity for sustainable development. We believe that greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling, purchase of environment friendly supplies and effective recycling program. The administration of the Institute believes that everyone has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the aim of developing a clean and green campus. Every individual of Loknete Marutrao Ghule Patil Campus will work, may he/she be a student, faculty and support staff to foster a culture of self-sustainability and make the entire campus environmental friendly. The Green Campus Initiatives will enable the institution to develop the campus as a living laboratory for innovation

This we will achieve through the following :-

- ❖ To sensitize the students and staff regarding the use of water properly
- ❖ To bring in use the 'Rain Water Harvesting' on the campus.
- ❖ To maximize the use of ICT and minimize the use of paper. It will help to go towards 'Paperless Office'.
- ❖ To use the solid waste through vermin-compost on the campus and use it as a fertilizer.
- ❖ To reduce the 'sound pollution in the campus.
- ❖ To protect and nurture the Flora and Fauna on the campus
- ❖ To maintain green campus.
- ❖ Seek views of all the Stakeholders to make the Go Green Campus Initiative functional throughout the year.

-
- ❖ Conduct the Campus' environmental impacts to identify the targets for improvements.
 - ❖ Establish a Green Campus Environmental Ethic Awareness campaigns.
 - ❖ Set forth a Green Campus Mission and a Statement of Principle
 - ❖ Link Green-Campus activities to Academics in the Institute.
 - ❖ Organize Awareness Programs for the students, faculty and society.
 - ❖ Chart out a yearly planner for the Institute, local community and Stakeholders.
 - ❖ Develop a strategic plan and create student teams to carry out specific tasks of the strategic plan. For instance, a plan to save energy at the institute level with time bound plan to install Solar Power Station mandatorily either at the top of Institute building or in open field. This will enable the institute to have 24x7 power supply.
 - ❖ Phase out the CFL and conventional light source such as bulbs and tube lights, halogen and mercury street/campus lights and get them replace by the LEDs.
 - ❖ Conduct an Annual Green, Environment and Energy Audit.
 - ❖ Purchase only Energy Efficient Computers viz: "ENERGYSTAR" or any other equivalent.
 - ❖ Establish public/private partnerships with personnel from federal, state, and local environmental agencies, utilities, and the business community.
 - ❖ Evaluate daily operations in terms of pollution prevention, waste stream management, and energy efficiency reducing, reusing, recycling, and repairing wherever possible.
 - ❖ Secure a commitment up front from the people in charge that well-founded recommendations will be acted upon once audits are completed.

❖ Waste water Management/ Rainwater harvesting:

The Institute has to work in the direction of waste water management. Water flow restrictors on bathroom faucets and showers, low water flow toilets and automated urinal flushers should be used to cut down campus water use. The Institute will take all necessary measures to implement waste water management /rain water harvesting.

- ✚ Waste water Management/ Rainwater harvesting
- ✚ Use of Micro-scale techniques
- ✚ Installation of energy efficient purchase for energy conservation
- ✚ Displayed poster on E-waste Management
- ✚ Maintenance of water bodies and distribution system in the campus
- ✚ paperless administration
- ✚ Plastic free Campus
- ✚ Tree Plantation Drive
- ✚ Cleanliness Drive
- ✚ Landscaping and gardens
- ✚ Use of LEDs only
- ✚ Digital Library/ E-Learning Centre
- ✚ Organization of sensitization programs for the stakeholders
- ✚ Establishment of Enviro-Club
- ✚ Green, Environment and Energy Audit conducted
- ✚ Restricted entry of automobiles
- ✚ No Vehicle Day observed

The Institute will make all the necessary efforts to involve the students, faculty and staff in "Green Campus Initiatives" by designating the volunteers of NSS cadets, printing green campus initiative slogan specially designed for the purpose
