(Students, Employers, Parents, Alumni)

Prepared by
Internal Quality Assurance Cell

Mechanism Of Feedback Process

Feedback from all stakeholders shall be taken to analyse the success of existing curriculum and facilities to develop the conductivity of every activity related to teaching learning process.

Institute has a special mechanism for collection of feedback. Principal assigns faculty members to collect feedback from all stakeholders like students, employers, parent alumni on curriculum and facilities, which helps the institute to evaluate the service policies and achieve the excellence with the changes. The feedback process emphasized the need for involvement of the stakeholders for student centric development of institute, thus the students should actively participate in every activities of curriculum for all round development. The feedback from the stakeholders is valuable for us as it provides role of improvement in curriculum facilities. IQAC collects the feedback from all the stakeholders through the faculty members for analysis. The opinions are considered and evaluated on the basis of vision and mission of institute. After the analysis the report is communicated to College Development Committee for approval of actions in effective curriculum delivery.
